## weather and blooming season

### Weather

Average temperatures in early May bring highs in the mid 70's and lows in the mid 50's. For your comfort, dress in layers as temperatures are cool in the mornings and evenings and warm in the afternoons. Wear comfortable shoes for walking.

### Blooming Season

To ensure the longest blooming season possible, Pella plants several tulip varieties that are early, mid and late blooming. The average blooming season for our tulips is from April 13th to May 10th. (This will vary with weather conditions such as temperatures and amount of rain.)

### Ordering Tulip Bulbs

Love our tulips! Plant them in your own backyard! Tulip beds throughout the community are labeled with their variety name to help you order your favorites! Bulbs may be ordered through the Pella Garden Club. A bulb order form can be downloaded at [www.pellatulptime.com](http://www.pellatulptime.com). To request a printed form, please call 641-628-4311. Orders will be shipped to you in October.

### Limited Edition Queen's Coins

Each year a limited number of bronze coins featuring the likeness of the Tulip Queen are produced to commemorate our Tulip Time Festival. These are a great collector's item and may be purchased at several retail stores in Pella or may be ordered through the Pella Lion's Club, P.O. Box 265, Pella, IA 50219 or by calling 641-628-2824.

Join us next year for the  
2009 Tulip Time Festival  
May 7-9, 2009!
