

getting around

Most events and activities at our Tulip Time Festival are within walking distance of a 3 block radius of the town square. Golf car shuttles are available for your convenience for \$1 per ride or \$3 per day. Day passes may be preordered using the attached order form or purchased the day of the festival from a golf car shuttle driver. Golf cars pick up and drop off passengers at designated sites only.

A schedule of events and locator map will be available during the festival from the information stations (see map) and general parking lot attendants.
